

Bundeena Maianbar Chamber of Commerce

Application for Event Funding

The Bundeena Maianbar Chamber of Commerce represents a variety of local businesses. Our role is to help our members operate viable and profitable businesses. In turn, these businesses directly benefit our community by providing goods, services, cultural activities and employment to local people.

The Chamber is interested in fostering local events which attract outside visitors who will spend money in our community, particularly at less busy times of the year. If you have an idea for an event we may be able to help you get started by providing advice, support and/or seeding funds.

Proposals will be assessed in terms of:

1. Demonstrable benefits for local businesses.
2. Your capacity to plan and manage the event.
3. The potential for the event to become fully self-funded. We have a limited budget and cannot provide ongoing subsidies.
4. The extent to which the event will attract visitors outside normal peak periods (such as the summer school holidays, Easter and the October long weekend).

Please return the completed form to:

BMCC
PO Box 3087
Bundeena NSW 2230

Bundeena Maianbar Chamber of Commerce

Application for Event Funding

If there is insufficient space below please create your own document using these headings

Event Description:

Are you planning to run this event on a regular or ongoing basis?

When will this event be held?

How will this event assist local businesses?

How will you measure this?

How much will this event cost to run?

How will this event be funded and resourced?

What contribution are you seeking from the Chamber of Commerce?

How will the event become self-sustaining in future?

Any other comments?
